### Common

Title: Aquamarines International - Maritime services

Description: Aquamarines International was established over five decades ago, by a young diver cum micro-entrepreneur, venturing in to a pioneering business sector of ornamental fish breeding and export. It all started in 1963 as a backyard operation, facing blue sea waves, within a suburb town, Ratmalana 10 kilo meters from capital Colombo in Sri Lanka. Today, the small business, has achieved robust growth reaching new heights, thro' an inspiring and daunting leadership provided to a highly

professional team by  
founder Chairman& CEO  
Ananda Pathirana and his  
son Yohan Pathirana.

The company, in the  
midst of fierce  
competition has  
successfully expanded in  
to major export markets  
by raising high quality  
standards and diversifying  
the product-mix meeting  
with the demand of a  
wide spectrum of buyers  
of over 350 dealers and  
public aquariums around  
the globe.
