Common

Title: ALL-K MARINE CO.,LTD - Manufacturer of Mechanical parts and chemical products

Description: ALL-K MARINE CO.,LTD. was founded in 2002. At first we started as an OEM manufacturer for the mechanical parts and chemical products, which used in oil tankers and ships. Later, we devopped more items by ourselves, and we also began to sourcing various items for our clients from ship supplying business or new ship building projects. Now we are a preffessional ship manufacturer and Chandler in China and we are looking forwar to cooperate with you.
