### Common

**Title:** Barden UK Ltd - Maritime services

**Description:** Barden UK, a family business, was established in June 1994 as a complete battery specialist. Initially aligned with several high quality battery brands, Barden soon began significant growth year on year into many different markets. This growth enabled Barden to invest more into expanding our product range and ensuring we could become one of the leading suppliers of batteries and DC electrical components.

Today we supply batteries, chargers, inverters, solar and a range of cables, fuses and switches. These products are sourced from some of the finest manufacturers worldwide and sold throughout the UK and Europe.
