Common

Title: Dampa Marine Ceiling Sys - Fire safety, hygiene, climate control

Description: DAMPA suspended metal ceiling solutions offer more than ordinary ceilings. Through a Form-Follows-Function philosophy, DAMPA ceilings combine features such as acoustics, fire safety, hygiene, climate control and lighting in a beautiful and environmentally friendly design.

DAMPA provide a wide range of integration possibilities making it possible to accommodate the need for comfort in the room while staying true to the intended appearance of architects and designers.
