Common

Title: Champion Marine, LLC -
Marine Surveyors of
Power and Sailboats

Description: When purchasing a
vessel: to find structural
and safety defects,
evaluate the condition of
equipment, identify
maintenance issues, to
qualify the vessel for
financing and insurance,
and to aid in renegotiating
the price.

- To assess the vessel for insurance policy renewal or a new underwriter.
- To ensure the vessel meets current safety standards.
- To expedite the

repair process in a damage claim.

- To act as a mediator between you, the insurance compny, and the repair shop.
- To ensure that repairs or restorations maintain the integrity of the hull (for resale value).
