### Common

Title: Icelandic Fisheries Exhibition - 23 - 25, September 2020

Description: The Icelandic Fisheries Exhibition - commonly known as Icefish - has become one of the world's leading fishing events. It provides a showcase for the latest developments in the commercial fishing industry. Because of the show's regular cycle being every three years, the exhibitors have time to develop their products, thus visitors can be sure of finding innovation and new technology on every stand.
