### Common

Title: GB Marine - Professional services

Description: GB Marine is an ISO 9001:2008 design engineering company providing services in the fields of naval architecture, marine consulting, structural and offshore engineering since 1987. Our new vessel designs, existing vessel conversion work, and technical expertise have been heavily utilized in the offshore oil and gas sector, for subsea operations, and other maritime activities. Our aspiration is to be the premier design consultancy for specialized offshore vessels in the world.
