Common

Title: Shanghai CunHong
Marine Lifesaving
Appliance Co.,L

Description:

We are Shanghai CunHong Marine Lifesaving Appliance Co.,Ltd and specialized in manufacturing of marine life-saving products and inflatable rubber-made products. Our main products is life-raft. We are located close to Yangshan deep-sea port in China sea in Fengcheng Town, Fengxian District of Shanghai, China.
Our company manufactures three types of inflatable life-raft, they are: Throw-over board inflatable life-raft, Davit-launched inflatable life-raft, Open reversible inflatable life-raft. And we have also obtained the certificates from CCS, ZV and EC.
Throughout the years, our company has won the recommendation and trust from our customer for our superior quality and good service. Our market of life-raft expanded continuously, now we have customers both domestically along the coastline of China, and overseas in south-east Asia, Middle East, Europe and America.
We view the quality of the product as the most important thing. Each staff is in strictly compliance of the four principal of "quality first, customer first" and is focused on the manufacturing of life-raft so as to provide the products with best quality to our client. And we have been awarded for the certificate of ISO Quality Management System. Our company is always in compliance of the latest domestic and international regulation and standard. We view the quality of the products as the guarantee of life security. We always observe the latest standards, due to ensure that the technology and quality standard always meet the latest one.
We invite you to grow with us for a brighter and safer future!
