### Common

Title: British Marine  
Description: British Marine is the membership organisation for the leisure, superyacht and small commercial marine industry. Our 1,600+ members come from a broad range of businesses including boat builders, chandlers, brokers, marinas, passenger boats and engines.

The core aim of the business is to deliver excellence. Both in the quality of its membership services, its representation of the interests of members and the boating community alike and, most importantly, in the quality of its members.

By using a British Marine member you are dealing with a company that has signed up to an extensive Code of Practice that offers consumers confidence that the service provided will be the best. Should standards be less than expected then the consumer has recourse to British marine to address the issues.

Every company displaying the British Marine logo is proud of all it represents, so you know that when you choose to buy products and services from a British marine member, you can do so with confidence.
