### Common

Title: Zenitel

Description: You need systems that work. Every time. Our innovative solutions for intelligent maritime communication deliver reliable performance in all conditions.

We're marine specialists: we know ships, and we speak your language. By choosing Vingtor-Stentofon, your job just got a whole lot easier.

### Experience you can trust

Currently, more than 20,000 ships rely on our equipment and systems to keep their crystal-clear communications up and

running.

With more than 70 years in the business, we have earned our reputation as a supplier of the most flexible, reliable and advanced Maritime Communication Systems available, by providing integrated, type-approved and certified systems for Critical Communication, Data, Safety and Entertainment.
