### Common

**Title:** American Bureau Of Shipping

**Description:** Safety, risk and integrity management are at the core of what we do as a trusted technical services advisor. ABS Group began providing non-classification marine technical services in 1971, and over the decades, we have expanded to offer comprehensive risk management solutions to an even broader spectrum of industries that power, fuel and regulate our world.

Learn more about the breadth of our technical advisory and certification authority to support the safety and reliability of

high-performance assets  
and operations in the Oil,  
Gas and Chemicals,  
Power, Marine, Offshore  
and Government sectors,  
among others.

ABS Group is a  
subsidiary of American  
Bureau of Shipping  
(ABS), one of the world's  
leading marine and  
offshore classification  
societies founded in 1862.  
Their mission is to  
provide a good service to  
their clients in every way  
possible
